Supplier Disclosure of Conflict of Interest

As a public institution of the State of Michigan, Michigan State University (MSU) has established policies and procedures for reviewing and addressing conflicts of interest between MSU employees and suppliers and otherwise ensuring compliance with Michigan Act 317 of 1968, regarding contracts between public servants and public entities.

As part of this process, you, the Supplier, are asked to disclose any and all potential conflicts of interest to MSU for appropriate review and disposition. Examples include, without limitation, an MSU employee having an ownership interest in your business, your business being owned by a relative of an MSU employee, and your business sponsoring speaking engagements or other activities with which MSU faculty or staff are involved.

Your failure to complete and return this disclosure form may result in a delay of payment, the termination of your contract and/or suspension of your status as a responsive and responsible provider of goods or services to MSU.

Your obligation with regard to the disclosure of conflicts of interest is ongoing, therefore we ask that you promptly notify us should you become aware of any potential conflict following the submission of this form. At MSU discretion you may be asked to update this information periodically.
